The Voice of all Public Education Retirees

MESSAGE FROM PRESIDENT LINDA SPIRO

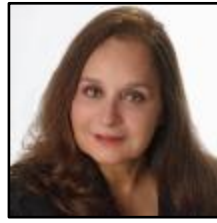

The HARTA leadership team has been busy planning a stimulating and satisfying new year of meetings, activities and events. Be sure to check out the fun trips offered and the many rewarding volunteer activities. As retirees who are traveling or are taking care of the health needs of family members or yourself, you may only be able to participate occasionally, but even limited participation is worthwhile and appreciated.

One new volunteer activity involves a large group of HARTA members who have been undergoing prison regulation training to be able to record imprisoned mothers reading to their children and then sending the book and tape to the children. We plan to carpool one Saturday a month to the women's prison in Dayton once all of us are trained. If you are interested, please contact Carolyn Mashburn, carolynmashburn44@gmail.com or 281-460-8255.

Also, as a FOLK (Friends of Kingwood Library) volunteer, Carolyn has served as HARTA's go-between with FOLK for getting a larger storage space for all the books we give away. Now FOLK has arranged for us to rent a storage unit at the same facility they use. This enables us to store more books and to set up a table in the hallway to use for labeling our books with HARTA/TRTA stickers. Look for more information to come from Chris Pieknik, 2nd VP in charge of books. Perhaps you can join a book labeling gathering or help at one of the book giveaways.

On March 25 TRTA is undertaking an historic new way of handling the biannual state convention that will increase the chance of participation and decrease the cost. Instead of all chapters selecting a few members to travel to a Texas city, each district has set up a location in its district. The House of Delegates will be voting electronically from each district. HARTA will have 6 voting delegates (our officers) and can take up to 12 non-delegates. If you are interested in being one of the 12 non-delegate attendees, please contact me ASAP at gglspiro@gmail.com or text 713-703-7240. Delegates will consider the possibility of increasing the TRTA state dues to keep up with inflation and allow the organization to improve its technology and its services to members. If approved, state dues could increase from \$35 per year to an amount which is an additional \$5 to \$15 over time. Delegates will be asked to approve the actual amount of increase and whether to increase in small increments or to the full amount at once. If passed, the increase will not take effect until July 1, 2027. Delegates will also vote on several amendments to the TRTA Bylaws. If passed, Amendment 1 would eliminate "local" from "local chapter" phrases since that is redundant. TRTA has state, district, or chapter designations. Amendment 2 clarifies that elected district officers and committee chairs are required to be a member of a local chapter within that district, and officers (not committee chairs) must be receiving an annuity from the Teacher Retirement System. The potential change would open district committee chair positions to college and university educators retiring from ERS, former teachers who left the profession and withdrew their TRS funds, school employees retiring under different states' pension systems, or beneficiaries of living TRS annuitants. Amendment 3, if passed, would eliminate the requirement for local delegates to the state convention to be TRS annuitants. The Board of Directors does not recommend approval of Amendment 3.

Whatever changes happen in 2026, may it be a year of blessings for you all.

HEALTH

- Dawn Meador

Buddies are strong medicine — no prescription needed!

Having close friends leads to many benefits. Sure, it's great to have someone in your life who shares your love of rom-coms and is always willing to give you a sympathetic ear. But the benefits of friendship are even greater than you may have thought. Turns out, friends play an important role in your physical and emotional health. "Research indicates that lonely and socially isolated people tend to be less healthy and more likely to have a lifestyle that is not as health-promoting," says Christopher Coe, Ph.D., director of the Harlow Center for Biological Psychology at the University of Wisconsin-Madison. In other words, nurturing your friendships is one of the best things you can do for your health. Here are just a few of the many benefits of friendship.

- 1. You're more likely to succeed at fitness goals.**
- 2. You're less likely to develop heart disease.**
- 3. You'll have better luck managing health conditions.**
- 4. You might live longer.**
- 5. You're less likely to be depressed.**

Happy New Year everyone!! Now that the holidays are over and the trees and decorations are stored away, I'll bet everyone is back to their regular routine. With the new year, we start recording volunteer hours for 2026!! Now is the time to start jotting down those hours you spend helping, driving, cooking, babysitting, etc. The final calculations for 2025 indicate that HARTA members donated 24,806.5 hours during the year! This number surpasses our total for 2024 by 4,855.5 hours. **SUPER JOB!!!** While these results are fantastic, I am certain that there are many hours that have been left unreported. Please be prepared to report your volunteer hours at our next meeting on February 9th. As always, index cards will be available on each table at the February meeting to report your hours for January 2026 OR you can text, email me (832)444-6630; patty253@gmail.com) OR you can go to our web page: TRTA.org, Districts & Chapters, District 4, Humble Area RTA. February Safety Tips for HARTA Members: Be Prepared, Stay Safe

February is a good time for members of the Humble Area Retired Teachers Association to review basic disaster preparedness. While we may be retired from the classroom and administrative duties, preparation remains essential for protecting ourselves, our homes, and our neighbors—especially in the Humble area, where severe weather and power outages can occur.

Simple Preparedness Reminders –

Have a Personal Plan: Know how you will stay in contact with family or friends and where you will go if you need to leave your home.

Maintain Emergency Supplies: Keep water, non-perishable food, medications, flashlights, batteries, and copies of important documents readily available.

Stay Informed: Sign up for local emergency alerts and keep a battery-powered or hand-crank radio on hand. This is essential for getting updates if you can't charge your phone when power is out.

Make Your Home Safer: Test smoke and carbon monoxide detectors, secure heavy furniture, and review winter heating safety.

Keep Emergency Contacts Handy: Post important local numbers near your phone and save them in your mobile device, including 911, local police and fire departments, utility companies, and trusted neighbors or family members.

Preparedness offers peace of mind and helps ensure you can respond calmly and confidently when emergencies happen.

For additional preparedness tips and resources, visit [Ready.gov](https://www.ready.gov).

TREASURER'S CORNER
- John Widmier

As of January 28, 2026, HARTA has a balance of \$22,519.95 in the Business Checking Account at PNC Bank.

The Certificate of Deposit held at PNC Bank earned \$65.73 in interest in November and December and now has a balance of \$10,223.93. The CD matured on December 22, 2025 and the balance was rolled into a new CD at that time. The new CD has an Annual Percentage Yield of 3.65% and will mature in four months.

The Endowed Fund with the Humble ISD Education Foundation had a balance of \$40,826 at the end of the fourth quarter of 2025 (December 31, 2025). Approximately \$5000 will be taken from the Endowed Fund in the spring of 2026 to pay for educator grants for 2025-26 that were awarded in November.

Members may begin paying their TRTA and HARTA dues for the 2026-27 fiscal year on March 1, 2026. Those who do so will be paid through June 30, 2027. Just a reminder that you may pay your TRTA (\$35) and HARTA (\$10) dues with one check to HARTA in the amount of \$45.00.

If you have any questions regarding HARTA's finances, please feel free to contact me at (281)798 8735 or johnwidmier@yahoo.com.

LEGISLATIVE NEWS
- James Ellis

Have you or any members of your family moved and need to update voter registrations? Register before February 2 in order to be eligible for the 2026 Democratic and Republican primary elections. Many district and county offices have constituencies that are top-heavy for one party or the other. Most congressional and state legislative offices are more likely to have real competition in the Republican or Democratic primary than in the general election. **Informed participation in the primaries is important.**

MEMBERSHIP MATTERS

- Bobby McAndrews

Thank you to everyone who has renewed your dues for the current (July 1, 2025 – June 30, 2026) membership year. If you have not renewed your membership, please do so today. If you are not sure whether you did or not, please email harta1stvp@gmail.com or contact our treasurer, John Widmier. Often, members pay their TRTA dues by bank draft but forget to renew their HARTA local membership.

Since our last meeting, many of you have renewed. Currently, the Humble Chapter has **509** paid TRTA members and **249** paid HARTA local members.

Thank you for helping HARTA to attract new members. By growing our membership, we can keep this chapter vital and strong. We are stronger when we come together for a common purpose as a voice for interests of all Texas Retired Educators. The work you do to support education with books, scholarships, and support of our students and teachers is commendable. Let's spread the word and give all retired school employees the same opportunity to serve our community. After all, who doesn't want to help kids become more literate? Who doesn't want to help kids without beds get one? Who doesn't want to support our current teachers? Who doesn't love our school children? Who is not interested in retired teachers' benefits? Who doesn't like to visit with old friends and make new ones? Who doesn't love to go on fun trips and outings with friends? These are all great reasons why we must invite every retired school employee to join HARTA.

We just published a new directory for 2025 – 2026. There are still several copies of the directory available for a small donation of \$3.00. For privacy and commercial security reasons, ***the directory is not available in electronic format.*** Please come to the next meeting to get your copy.

Be sure to visit our NEW and improved Webpage and Facebook group page by going to www.trta.org. Simply click on Districts and Chapters > District 4 and scroll to Humble RTA.

Our webpage has everything HARTA members need to stay informed including announcements, meeting dates,

newsletters, trips and events, meeting minutes, new member/renewal application and more.

If you are a donor, please consider the benefits of joining as a non-annuitant member in 2025-26. Paying the additional \$35 to join TRTA allows you access to support teacher initiatives and to purchase AMBA's member services and discounts.

If you are new or have misplaced your name tag, please let me know and I will make a new one. You may message me via email at harta1stvp@gmail.com.

Thank you for being a HARTA Member.
